## Mission Sunday

Every parish throughout the catholic world will celebrate Mission Sunday this weekend. Today, through our prayers and contributions we are showing our appreciation for the work our missionaries do through the world in communities that are struggling and often war torn.

World Mission Sunday is vital for the growth of the church It helps to spread hope and love by supporting the work of missionaries in remote and impoverished. Funds raised also help build much needed infrastructure- from chapels and clinics, to nurseries and schools. You're helping create hubs so that young churches can flourish, spreading the Good News, ministering to the faithful and delivering essential health and education programmes.

### School Mass

Mass for the start of the school year will be celebrated in the church on Thursday next at 10.30am. As well as the pupils and staff, parents guardians and extended family as well as members of the parish community are welcome to come along.

### Parish Calendar 2019
