## Lent

The word **Lent** comes from an old English word **Lencten** which means a period of time leading to spring. The Lenten fast is the 40-day period that was established very early on in church history as a way to prepare for **Easter**. It was also a period of preparation for adults preparing for baptism at the Easter Vigil. It was later extended out to the rest of the Church world as a way of preparing for the Easter mysteries, a way of renewing our faith each year.

The three pillars of Lent, and indeed the Christian life, are **prayer fasting** and **alms-giving**, that is taking care of our brothers and sisters in need.

In the past, fasting in **Lent** was severe. Many foods we take for granted were prohibited. The pancakes of **Shrove Tuesday** began as a way of using up some of the ingredients not allowed in Lent.

**Pope Francis** says the Lent should be a time of hope when people turn back to **God** especially in these times when everything seems fragile and uncertain. He says “**To experience Lent with love means caring for those who suffer or feel abandoned and fearful because of the Covid-19 pandemic. In these days of deep uncertainty about the future, let us keep in mind the Lord’s word to his Servant, ‘Fear not, for I have redeemed you’(Is43:1).**
