## World Day of Grandparents and Elderly

On New Year's Day in 2020, Pope Francis announced that the **First World Day for Grandparents and the Elderly** will be celebrated on **Sunday, 25<sup>th</sup> July**, the Sunday nearest to the feast of Ss Joachim and Anna (26<sup>th</sup> July). The voice of the elderly '*is precious*,' Pope Francis said, '*because it sings the praises of God and preserves the roots of the peoples.*' The elderly, he continued, '*remind us that old age is a gift and that grandparents are the link between the different generations, to pass on to the young the experience of life*'

The theme chosen by Pope Francis for this inaugural commemoration is '*I am with you always*' (Matthew 28:30). It expresses the closeness of the Lord and the Church to every older person, especially in these challenging times of the pandemic.

The theme, '*I am with you always*' is also '*a promise of closeness and hope that young and old mutually share*', so says the Pope. Not only are grandchildren and youths invited to be present in the lives of older people, but older people and grandparents also have a mission of evangelization, proclamation and prayer and of encouraging young people in the faith.
