## **The Value of Teamwork**

In this weekend's gospel we see Jesus sending out his disciples in pairs. Being sent in pairs reminds us of the value of teamwork.

**He sent them out in pairs because his message is one of cooperation rather than competition, of interdependence rather than independence, of service rather than self – aggrandizement, of sowing seeds of peace rather than distrust, of building relationships rather than barrier building, of affirming goodness rather than fearing diversity.**

Just as Jesus sent out his disciples, he sends you and me, not only to speak the message but by our lifestyles to make it present today in our ruthless competitive world. We can make a difference; we can spread his kingdom.
