Feast Days

April 11th St. Stanislaus (1030-1079)

St Stanislaus is the Patron of Poland. As Bishop of Krakow he was renown for his outspoken opposition to the unjust government of the time.

April 13th St Martin

Born in Italy he became Pope in 649. He called a council in Rome in order to condemn the heretics who denied the humanity of Christ. He is the last Pope to be honoured as a Martyr. He died in 655.

Baptism

We welcome into the Christian Community on Saturday last, Aoife Mary McVeigh, Lismoy. We pray God's blessing for the newly baptised and her parents.

Easter Thanks

A special word of thanks to all that helped in the celebration of Easter in the Parish this year. Choirs, Readers, Eucharistic Ministers, Servers and those who prepared the Palm and the Cemetery for the dawn Mass. Thanks to all.

The Resurrection

In the first century there was a belief in the resurrection of the dead, but this was to occur on the last day, at the end of time. Even though the gospels report Jesus saying that he would rise, it is clear that the disciples did not expect his resurrection in their lifetime. Finding the empty tomb, Mary Magdalene draws a very obvious conclusion that someone has come and stolen the body, for an empty tomb does not prove resurrection. The gospel of John, which we read this week and next, describes two locations for the Easter events, a tomb and a room where the disciples gathered. The message to the disciples, and to disciples of all ages, is that you will not find Jesus in a tomb; he is not among the dead. He is risen, He is alive.

Spring Clean

On Monday last, the Minister for Environment launched the National Spring Clean Campaign. Do we need a **Parish of Clonguish Spring Clean Campaign?** The sides of the road from the Village to Cahanagh and in particular the stretch from the Railway Bridge to the Cemetery is in an awful litter condition. This is most obvious to the walker or jogger. Maybe there are other litter black spots in the parish. Can something be done?

BreastCheck, the National Breast Screening Programme, is returning to **Longford** to offer free breast x-rays (mammograms) to women aged **50-64**. Screening recently commenced in April 2007 and will run to **June 2007** in the Mobile Unit based at **St. Josephs Hospital, Co Longford**.
